

Fully Installed

If you live within a 200km* radius of our showroom, you have the option of having our experienced and expert installation crew come out with your building and take care of the installation.

Our Fully Installed format is the quickest and easiest way to have your structure up and ready for use. Our installation crews will arrive at your location, unload your structure and begin the expert installation of your new building.

When you purchase our Fully Installed format you receive basic 3 tab shingles, with your choice of colour. Note: Designer shingles such as cedar shakes are considered an upgrade and may be purchased at time of order.

***Delivery and Installation is only available within a 200 km radius from our showroom and the cost will be negotiated into your plan. Distances beyond will be considered.**
